

## Get Hartlepool Active Facilities Customer Declaration

Customers Name: \_\_\_\_\_

I declare that I shall **not** use the facilities if:

- I am experiencing any Covid-19 symptoms and have in the last 10 days experienced any symptoms
  - A new and continuous cough
  - High temperature of 37.8 and above
  - A recent loss of taste or smell
- I am self-isolating as a result of Covid-19 symptoms
- I am sharing a household or support bubble with somebody who has experienced Covid-19 symptoms in the last 14 days
- I have been advised by the NHS test and trace service that I must self- isolate

*If you or anyone in your household or support bubble has symptoms of Covid-19 you should self-isolate.*

### **Social distancing**

I am aware that the risk of transmission increases the closer you are to another person with Covid-19 and the longer you spend in close contact. During participation in any activity within the facilities I will keep 2 metres away from people unless they are members of my household or support bubble.

### **Hand washing**

I am aware washing your hands is one of the most effective ways to reduce the risk of Covid-19 transmission. I shall wash my hands regularly with soap and water for at least 20 seconds, particularly after touching surfaces touched by others. I will do this before and after taking part in any activity as a minimum.

I am aware of the following:

- I should use hand sanitiser if hand washing facilities are not available
- I will be aware of the surfaces I touch
- I will be careful not to touch my face, mouth or eyes
- I will cover my mouth and nose with a tissue or my elbow when coughing or sneezing

I agree and understand that participation in the activity is at the absolute discretion of the centre staff who may refuse entry or ask me to leave if they have any concerns that I am not abiding by the requirements above with regard to social distancing, handwashing or believe I am showing any coronavirus symptoms.

## NHS Test and Trace

NHS Test and Trace is a key part of the country's ongoing COVID-19 response. The service can rapidly detect people who have recently come into close contact with a new COVID-19 case, and can take swift action to minimise transmission of the virus.

The Council will maintain records of its customers and visitors and will share these with NHS Test and Trace, where requested. Please tick the box below if you do not want the Council to share your name and contact details with the test and trace service, when requested

☐

*I do not consent to the Council sharing my name and contact details with the test and trace service*

Your personal information will be handled in accordance with the General Data Protection Regulation and further details on how personal information is handled by the Council can be found on the Council's web site at [www.gethartlepoolactive.co.uk/privacy](http://www.gethartlepoolactive.co.uk/privacy)
